The object of the meeting was stated by the President to be the reception of the report of the special committee on High The following is the report referred to:

WHEELING, August 26, 1870 To the Wheeling Board of Education The committee to whom was referred for report the communication of the Secretary of the Board of Trustees of the Linsley Inof the Board of Trustees of the Linkley In-stitute, containing a proposition to lease for the purpose of a public High School, the Institute building located on the north-west corner of Centre and Fifth streets, respectfully recommend that the proposition be accepted, and that the President and Secretary of the Board of Education be instructed to enter into a cordance with the terms of the proposition

referred to,
The Committee would also recommend Finen—Christian Kostemeier was arthat upon the consummation of the contract, the Committee on High School be
instructed to have said building repaired
and put in condition for occupancy as
soon as practicable; and that the school
have said solventian under be organized and put in operation under the supervision of the Committee and the

District Superintendent of Schools.

The Committee would furthermore recommend that in the selection of teachers which comes off to-morrow evening on the Island, promises to be one of the pleasant, est festivals of the season. We would that this reduction of the number of Principals may be made without in any manner impairing the efficiency of the District and Ward Schools, since the advanced classes in the German Schools which, under existing regulations, command the present and the time of the mand the greater part of the time of the Principals, would be removed to the High School. Two of the smaller Ward School might in this manner be placed under the supervision of one principal, who would then be enabled to devote more time to each of the several depart-ments, or divisions of the schools of two wards, than he can under existing regulations to those of one And your Co the estimate that the total expense of op-erating the High School for the ensuing year with a faculty of four instructors, two males and two females, could be met by of Education at its meeting last evening, that the proposition in relation to estab-lishing a High School in the Linsley
